in Story of the Ballet

by
Bill Woggon

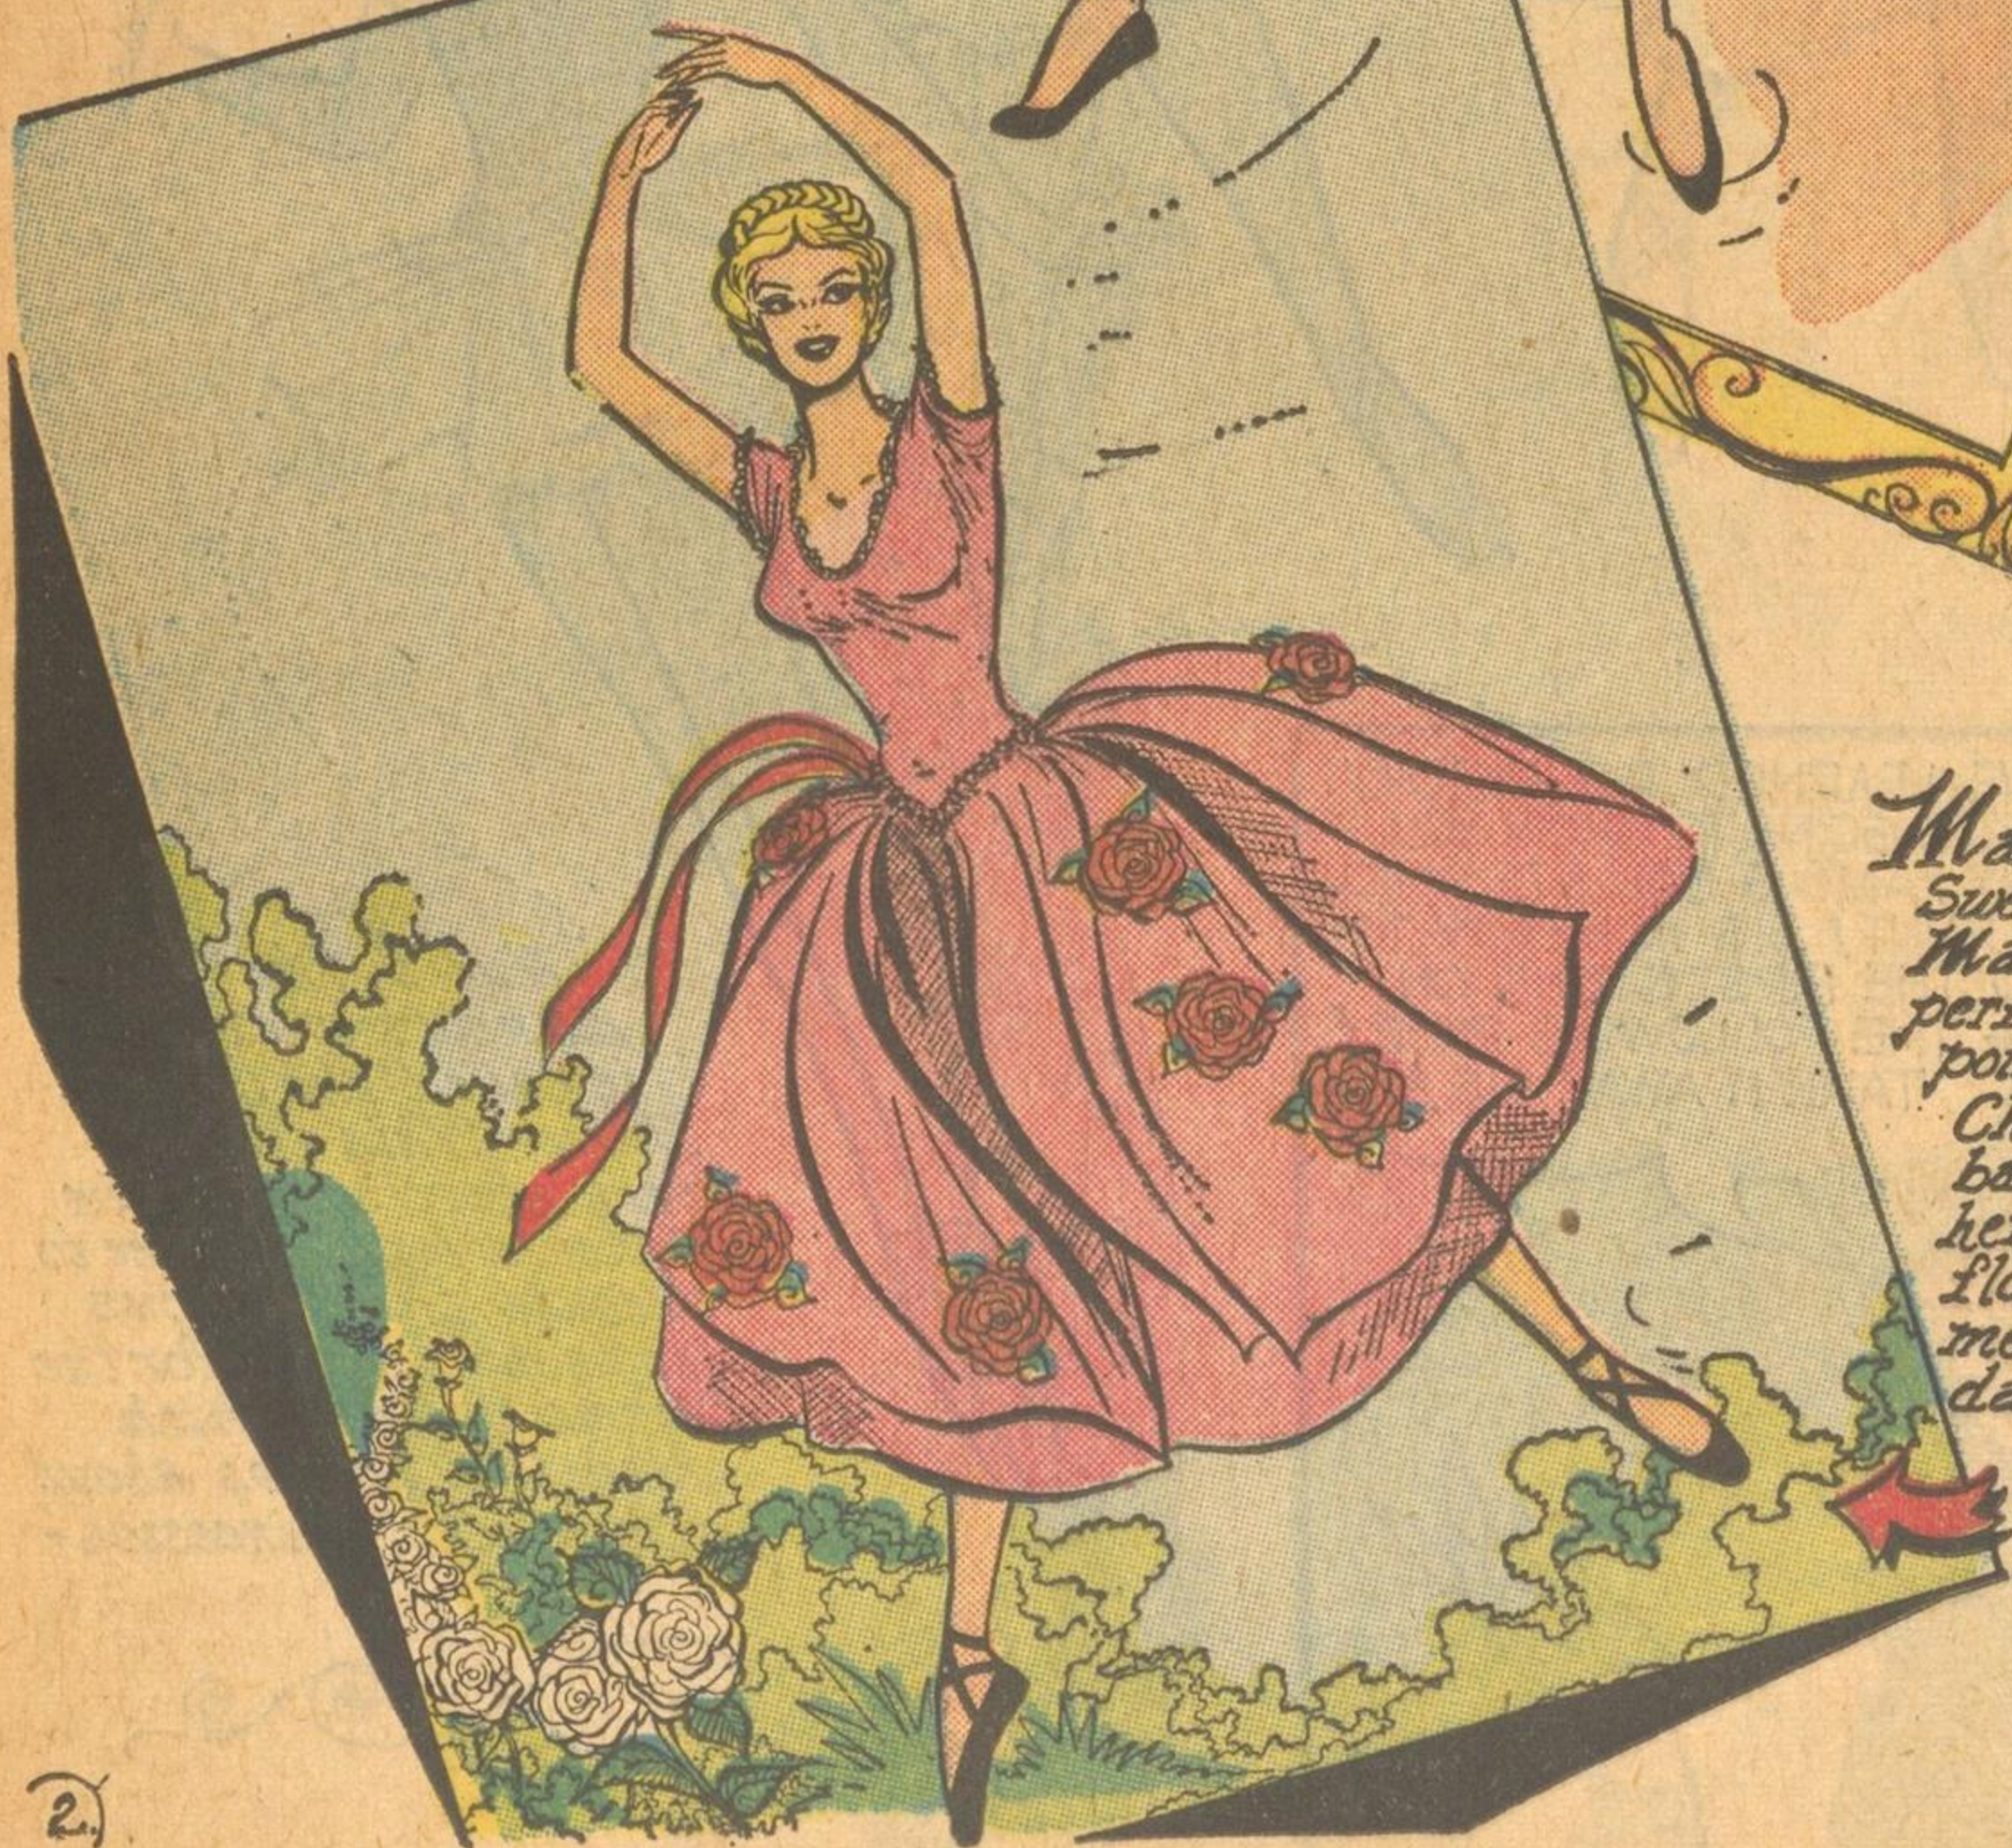

WE ARE
FEATURING THIS
STORY, ESPECIALLY
DESIGNED FOR OUR
READERS WHO ARE INTERESTED
IN THE BALLET! THE DIALOGUE,
COSTUMES, AND POSES WERE
SENT IN BY OUR STAR
DESIGNER JACK
EVANS!

Many of you may be surprised to know that the first ballet performances were done only by men, in Italy, 400 years ago. Soon ballet dancing spread into France, where at last, women were allowed to dance. Their bulky, floor length hoop-skirts and high heeled slippers made it difficult for them to move, so the dancing still remained prim and sedate + + + + +

Marie Camargo a French girl, dared to cut a few inches from her skirt, and removed the heels from her slippers. This showed her lovely ankles and gave her more freedom to dance swiftly. Marie was copied by many, many dancers, and soon new ballet steps began + + + +

Many years later a Swedish miss called Marie Taglioni perfected dancing on the points of her toes. Choreographers created ballets especially for her... fantasies about flowers dancing in the meadows, or sylphs dancing in the glades.

The costume of a ballerina is called a 'TUTU'. It is a graceful, long, bell-shaped tulle skirt, usually white.

But through the ages, ballet steps became more and more difficult, so the tutu was cut...

Shorter and Shorter...

NOW THAT YOU'VE LEARNED THE HISTORY OF THE BALLET, WE'RE GOING TO SHOW YOU SCENES FROM MANY FAMOUS BALLETS, WHICH YOU CAN COLOR OR PAINT! SIS IS READY TO INTRODUCE YOU TO THE FIRST SCENE ON THE FOLLOWING PAGE! TAKE IT AWAY, SIS!

Until the dancers wore what is called the Classic Tutu. This tutu is very short so that the dancers' legs are free to execute the vigorous leaps and turns for the Classic Ballets, which often told stories about princes and princesses.
